

*Environment Today*, an online magazine for young people, has invited readers to send in articles about whether you and your family do enough to help the environment. The best article will be published.

You have decided to enter the competition. In your article you should:

- explain why it is important to live green
- describe what your family does to help the environment
- suggest ways your family could live a greener lifestyle

Write around **250 words**. Give your article a title.
