Read the text about Gillian Anderson, female star of *The X-Files*. Some of the lines are correct; some have a word, which should not be there. Write this word in the box next to the line. If the line is correct put a tick ✓ in the box.

1	Gillian Anderson was born in Chicago, Illinois in 1968 but during	
2	the early years of her life she then moved around a lot with her	
3	family. She spent the most of her childhood in London and when	
4	Gillian was 9 she moved back later with her parents to the US.	
5	Gillian had problems making herself friends at her new school and	
6	she often got into trouble with her teachers. As a teenager	
7	she rebelled out and even became a punk.	
8	Despite her trouble at school, Gillian was often a talented girl and	
9	showed early signs of acting ability. At 14 she took part in a	
10	school production of Shakespeare's <i>Romeo and Juliet</i> . While at that	
11	time , however, she wanted to become an archaeologist more and it	
12	wasn't until later that she has changed her mind.	
13	After graduating from university, Gillian went to New York to start	
14	her acting career. After a few short jobs , she just started working	
15	as a waitress for some time before she was being offered another	
16	acting job.	
17	Gillian never wanted to work for television. But in the early 1990s	
18	she successfully auditioned for the best part of Special Agent Scully	
19	in the TV series, <i>The X-Files</i> . The series so became an immediate	
20	success and continued for nine seasons. Two acting feature films	
21	followed in 1998 and 2008. In her career Gillian Anderson	
22	has hardly also won the Emmy and Golden Globe Awards once.
