

Read the text about being **someone who hates shopping** . Some of the lines are correct; some have a word, which should not be there. Write this word in the box next to the line. If the line is correct put a tick (✓) in the box.

I Hate Shopping !!

- 1 I admit it . I hate shopping. In fact, I hate it ever so much I only go
- 2 shopping for clothes once a year. I wait for the customer sales to start
- 3 and then go into town to buy all my clothes for the year. I always look
- 4 for the cheapest bargains rather than the things I like them best. I try
- 5 them on and, as long as they fit , I buy them . I don't bother for keeping
- 6 the receipt, because I know I won't go back to the shop if there's a problem.
- 7 I always pay cash , as I don't want to get a huge credit card bill at the end
- 8 of the month. And if I would really need some new clothes later during
- 9 the year, I order them from a mail-order catalogue. It's much more easier -
- 10 while you can look through it at home and make your decisions without a
- 11 shopping assistant hanging around trying to get with you to buy something
- 12 you don't want.
