Use the words in capitals to form a word that fits into the space next to it!

**GOING GREEN**

There is an ________________ (ARGUE) that ________________ (RECYCLE) may have some unforeseen negative effects. Of course, it would be a major ________________ (ACHIEVE) if we were able to increase ________________ (AWARE) to the threat of the environment caused by ________________ (POLLUTE) and the ________________ (BURN) of fossil fuels. However, if the public's only ________________ (INVOLVE) in ecological issues is taking their newspapers and bottles to a recycling point, we may only be creating the ________________ (APPEAR) of ________________ (IMPROVE).

If they have to drive any ________________ (DISTANT) to the recycling point, for example, it might mean the ________________ (CONSUME) of more energy than is saved. In addition, if people feel that they are making their ________________ (CONTRIBUTE) to the environment, they might not put so much ________________ (PRESS) on large ________________ (ORGANISE) to encourage the ________________ (DEVELOP) of safer, less damaging forms of ________________ (PRODUCE).
There is an _argument_ (ARGUE) that _recycling_ (RECYCLE) may have some unforeseen negative effects. Of course, it would be a major _achievement_ (ACHIEVE) if we were able to increase _awareness_ (AWARE) to the threat of the environment caused by _pollution_ (POLLUTE) and the _burning_ (BURN) of fossil fuels. However, if the public's only _involvement_ (INVOLVE) in ecological issues is talking their newspapers and bottles to a recycling point, we may only be creating the _appearance_ (APPEAR) of _improvement_ (IMPROVE).

If they have to drive any _distance_ (DISTANT) to the recycling point, for example, it might mean the _consumption_ (CONSUME) of more energy than is saved. In addition, if people feel that they are making their _contribution_ (CONTRIBUTE) to the environment, they might not put so much _pressure_ (PRESS) on large _organisations_ (ORGANISE) to encourage the _development_ (DEVELOP) of safer, less damaging forms of _production_ (PRODUCE).
