

Shopping Mall or Sports Ground

You have heard that the local government is planning to build a new shopping mall with a large parking lot right next to your school, at the place where there is a large sports ground now. Your school has an English-language student magazine. You have decided to write for it an article with the heading “*Shopping mall or sports ground?*” in which you give your opinion about this plan.

In your article (about 200 – 300 words) consider the following:

- Which one is needed more?
- Benefits for the local people
- Drawbacks for the local people
- Effects on the environment
